Of all the ways you can pay your bill, choose the easiest

Sign up today for TID's **Automated Bill Pay** program and rest easy

There is nothing wrong with paying your TID electric service bill by mailing a check or paying in person at our offices every month.

But your life is busy, right? That's why we owe it to you to inform you of TID's Automated Bill Pay program. The voluntary program eliminates your need to process your TID bill and allows TID to automatically deduct funds from your bank account.

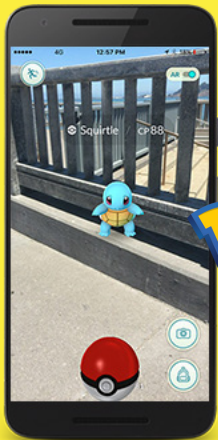

Enrolling today is easy. Simply attach the completed form below to a voided personal check, then mail the form and voided check with your TID bill payment (or deliver it to our offices in Turlock, Ceres or Patterson).

How can Automated Bill Pay (ABP) benefit me?

- **Time Saver:** No more writing/ mailing checks to TID or paying in person
- **Money Saver:** Your postage stamp and check purchases are less frequent
- **Stress Reducer:** Your bill is always paid on time and you know the payment amount beforehand

Learn more today at tid.org/autobillpay

Never trespass while playing

E-bills: the easy way to access your electric account

Want to view your electric bill online, make a quick payment free of charge, or change the method in which you are notified of your monthly bill amount?

And wouldn't it be nice to be able to do all this from your home computer any hour of the day, any day of the week?

Thanks to improvements to our E-bills online payment portal, you can do all of the above without a convenience fee.

There is a short process to register/ verify your account, but once you are registered, you're that much closer to managing your account online.

Check it out for yourself today at ebills.tid.org

TID celebrates 130 years of serving the region

On June 6 this year, TID celebrated 130 years of serving this region. We began as an irrigation district in 1887, but became so much more in 1923 when we started generating and delivering reliable and affordable public power to the region.

the dream of irrigation plus public power continues to be a reality for the hundreds of thousands of people who receive services from us. To celebrate our historic founding as California's first irrigation district, we have \$10 DVDs and \$15 Blu-ray discs of our 2012 documentary film, *The Irrigationist*, available for purchase at our Customer Service offices in Turlock, Ceres and Patterson. Plus, later this year, we will release a coffee table-style photo book with rarely seen images of the District's history.

It's tough to imagine where this region would be without the perseverance, sacrifice and hard work of those visionary forefathers who formed TID. They wanted a better life. They pressed on at all costs. And now

Money-Saving Tips to Keep Cool

Use fans or ceiling fans instead of the central A/C

Seal doors and windows to maximize cold air

Set your thermostat comfortably high
