## ELECTRIC VEHICLE GUEST DRIVE EVENT

Head over to Ten Pin Fun Center in Turlock on October 14 from 10am to 4pm to learn about the future of transportation and take an electric vehicle for a spin at TID's Electric Vehicle Guest Drive Event. For more information and to register for a test drive spot, visit [TID.org/EVDrive](https://www.tid.org/EVDrive). Space is limited.

## We Are Here For You

As a TID customer, you may be eligible to receive financial assistance on your energy bill through the TID CARES Rate Assistance Program. Residential customers who qualify will receive an \$11 discount on the customer charge and 15% off the first 800 kilowatt-hours (kWh) each month.

### TID INCOME GUIDELINES

Your household's gross income must not exceed the following amounts: (verification of income and ID are required)

Size of household	1 or 2 people	3 people	4 people	more than 4
Yearly Income	\$39,440	\$49,720	\$60,000	Add \$10,280 for each additional household member

If you need help paying your electric bill, there are resources available. Complete the application online today at [TID.org/cares](https://www.tid.org/cares). You can also visit the Turlock or Ceres Customer Service offices for a hard copy application.

**If you have any questions about the program or need help with your application, please call TID Customer Service at (209) 883-8222.**

### Saving Energy Saves Money

-  Set your thermostat to 78 degrees when possible.
-  Replace your air filter – this maintenance can help control and improve your unit's performance.
-  Use energy efficient LED light bulbs to reduce your energy use – these bulbs last longer than traditional incandescent bulbs.
-  Plug home electronics into power strips and turn off the whole power strip when you are away or at night.
-  Switch to ENERGY STAR appliances, rebates may be available at [TID.org/rebates](https://www.tid.org/rebates).

## Celebration of Water and Power Event

TID will host its second Celebration of Water and Power on October 4, 2023 from 4-7pm at the Canal Campus, in Turlock.

TID customers are invited to stop by this family friendly event and learn about your community-owned utility. The event will include TID equipment and interactive booths, live music, giveaways and food trucks for food purchases.

Come out and help us celebrate the community-owned public power and irrigation water that is the foundation of our thriving community.

**Event:** TID Celebration of Water and Power

**Date:** October 4, 2023

**Time:** 4:00 – 7:00 p.m.

**Location:** 333 E. Canal Drive, Turlock

## TID Operations Tour Video

The TID Operations & Facilities Tour video takes customers on a virtual journey through TID's 662 square-mile electric service territory and offers access inside our irrigation delivery system. We invite you to view the tour to get a better understanding of the value of your community-owned utility, see inside the facilities that are maintained year-round, and gain insight into what goes into the District's operations.

### TID OPERATIONS AND FACILITIES TOUR

Take a virtual tour of TID

## PAPERLESS BILLING

You can receive your bill sooner and eliminate paper waste. Log on to [My.TID.org](http://My.TID.org) to select Paperless Billing. Monthly bills will be delivered to your email inbox faster than you would normally receive it by mail.

## RESIDENTIAL ENERGY STAR® WINDOWS REBATE PROGRAM

Replace your existing windows with Energy Star® windows and **receive \$2 per square foot.** Terms & Conditions apply.

Apply online at [rebates.TID.org](http://rebates.TID.org).
